BREAKFAST BANGER

Our scrumptious banger is handmade using the best quality finely minced chicken with a delicate savoury seasoning, filled into a natural casing. It's the ideal addition to the discerning diner's breakfast plate. **COOKING SUGGESTIONS:** Frying pan/Flat top grill: Cook on medium heat for 12-15 minutes, ensuring product is loosened from the cooking surface and turned regularly to brown evenly. Tip: Avoid cooking sausages from frozen, for best results defrost overnight in a fridge.

Ready2Go™ BANGER BURGER™

An exciting new chicken product made with light and dark chicken meat shaped into a pattie, our Ready2Go Banger Burger is infused with a fresh herb flavour. Ideally served on an English Muffin or as the perfect complement to a full house breakfast. **COOKING SUGGESTIONS:** Frying pan/Flat top grill: Heat to 210°C. Brush with cooking oil. Cook for 5-8 minutes, ensuring product is loosened from the cooking surface and turned regularly to brown evenly. Tip: For best results cook from frozen.
